**PETITIONING THE COURT**

- To extend the term of supervision for \_\_\_\_\_, for a total term of \_\_\_\_\_  
 To modify the conditions of supervision as follows:

Pursuant to 18 U.S.C. 3583(d), the defendant shall submit to a drug test within 15 days of release on supervised release and at least two periodic drug tests thereafter to determine whether the defendant is using a controlled substance. Further, the defendant shall submit to such testing as requested by any probation officer to detect the presence of any controlled substances in the defendant's body fluids and to determine whether the defendant has used any of those substances. Based on the defendant's ability to pay, the defendant shall pay for the collection of urine samples to be tested for the presence of any controlled substances in an amount determined by the probation officer.

**CAUSE**

The Court at the time of sentencing recommended that he attend and complete the 500 hour Comprehensive Drug Abuse Treatment Program through the Bureau of Prisons. Therefore, to be consistent with the Courts order the defendant should be drug tested while on supervised release. Additionally, the defendant indicated in the Presentence Investigation Report that he has consumed marijuana since the age of 14 and that his last use was in January 2000 (same time period as the instant offense).
